과제 제출 시작

- Due: October 2, 11:59 PM
- Grading: 25 points; points per question/task are listed in the Jupyter Notebook.
- Late penalty: one point will be subtracted per day until 15 points.
- Deliverable (Name scheme: Lab1\_StudentID\_Firstname\_Lastname):
  - o a COMPLETED Jupyter Notebook (e.g., Lab1\_2008102787\_Jinwoo\_Park.ipynb)

2. Paste the Jupyter Notebook to your local drive and remember its path. Always remember to follow the steps to initiate a Jupyter Environment.
  - a. Launch Anaconda Prompt (Windows) or Terminal (Mac)
  - b. Type the following command in the prompt.
    - i. `conda activate GIS_Project`
    - ii. `cd YOUR_PATH`
    - iii. `jupyter lab`
3. Follow the instructions in the Jupyter Notebook to complete the lab.
4. Please rename the file according to the naming syntax and submit it to KHU E-Campus.

DONE.
